Election Roster Building

Elaine F. Viehmann

Andover's election roster is beginning to fill, with announcements this week that two office holders will seek terms in the March 27 voting.

Philip J. Salamone, appointed a selectman in April to complete the term of Alan F. French who resigned, took out nomination papers this week seeking a full three-year term on the board.

Mrs. Elaine M. Viehmann, completing her first three-year term on the school committee, has announced that she will seek re-election.

Salamone, employed by HUD, and a resident of Carisbrooke street, said that his decision was based on the work facing

the selectmen and the various projects initiated by the present board.

He said that many things, such as the capital budget program, have been initiated by the board this past year and he feels he would like to continue to be a part of the programs and have input into them.

Mrs. Viehmann said her decision to seek re-election was based on the important decisions facing the committee associated with secondary facilities. The board has been involved in this process in recent months, and Mrs. Viehmann feels it important to continue as a part of the deci-

Multi-Million Dollar Project

Convention Center Near For West Andover Area

By Robert E. Finneran
Editor

Development of a multi-million dollar trade and convention center in the West Andover industrial area is in the final stages of negotiation this week.

Official announcement of plans for the major tenant in the Arkwright-Boston industrial land was awaiting formal signing of agreements between parties.

Spokesmen for Arkwright-Boston and R. M. Bradley Co., which is handling the development of the industrial park area, indicated Wednesday that the finalizing of

the project was near, but were hesitant to give further details pending formal agreement.

Arkwright officials said that the project had been presented to members of the town's official family for review and feedback concerning the development.

The proposal has been presented to selectmen, planning board and industrial commission members for examination.

The center would provide a major new tenant to accompany the Hewlett-Packard plant, the first industrial occupant in the area, which went into operation over a year ago.

Arkwright-Boston owns the industrial acreage, formerly the Shattuck farm, and R. M. Bradley is the developer.

While cost figures of the building were not available, it is reported that it would be in the vicinity of \$10 to \$15 million.

It is believed that the proposed structure meets all requirements of the town's zoning regulations for an industrial area.

Utilities are also available, the town

Schools To Seek \$1 Million To Plan For Facilities

By Linda S. Corbett

A warrant article for \$1 million in architectural planning funds for assorted building alternatives — from renovating East Jr. High to adding classrooms, an auditorium and other facilities at the Shawsheen Road complex — was approved by the school committee Tuesday night.

The committee, however, refused to include a provision for portable classrooms at the high school, as requested in a petition presented by "parents of present and future Andover High School students."

Chairman David R. Ahouse called the \$1 million the "absolute upper limits" to cover all building alternatives the committee will be considering between now and Town Meeting.

"This will be," Ahouse said, "The only go-around for secondary facilities for the next 10 years."

Architectural fees represent approximately 8 to 9 percent of the total cost of a project, and alternatives already discussed fall in the \$5 to \$7 million range.

The warrant article had been authored by Supt. Kenneth R. Seifert, and at the request of the committee, leaves them as much flexibility as possible.

It calls for the town to appropriate up to \$1 million for preliminary plans, working

drawings and bid specifications for "one or more of the following school projects":

- Renovation of East Jr. High
- Construction of an auditorium and additional classrooms on Shawsheen Road plus renovation of East Jr. High
- Construction of an auditorium, additional classrooms at the high school and

Saddened Traditionalists See Program Capped

Scores of traditional school prents went away disappointed Tuesday night, as the school committee opted to seek consistency of services throughout the elementary system before allowing the traditional program to "overflow" into other schools.

The vote most likely "caps" the program at two classes per grade next year, all at West Elementary.

However, the committee said that once consistency of services is achieved, they would consider expansion of the program before moving administrative offices out of aging Jackson and Stowe Schools into

spaces opened up by declining enrollments.

"You sound very upset and feel as if you're not getting a fair shake," Committeeman Elaine Viehmann told the SRO audience Tuesday. But, she said, the program has room for about 50 more pupils next year as it is.

There are about 300 pupils in the program now, with room for about 350 within the two classes per grade.

Committeeman Joseph Finn, who sponsored Tuesday's motion, added that population projections show the traditional

alternative levelling off to just about 350.

He said he didn't see any problems un-

Higgins Brothers In Concert At Academy

Jon and Eddie Higgins (P.A. '58 and '50) will, with assistance from guest artists from Connecticut and Massachusetts, pre-

sent a concert of Jazz and East Indian Music on Saturday, Jan. 14 at 8 p.m., in George Washington Hall. This will be the 48th concert sponsored by the Sawyer Foundation. A reception will be held in the Underwood Room following the concert.

Jon Higgins has recently been appointed Director of the Center for the Arts (a new multi-million dollar complex) at Connecticut Wesleyan University. He is currently Director of the Program in Fine Arts and Associate Dean of Fine Arts at York University in Toronto, Canada.

Eddie Higgins is one of the country's outstanding jazz musicians. Buck Walmsley, a music critic for the Chicago Sun-Times, recently said:

"For almost 20 years I listened to Eddie Higgins play opposite nearly every star on the stand at the Londn House: Peterson, Garner, Shearing, Shirley and many others. And he would do it in strange ways. He would outrange Oscar, chunk harder then Errol, mix up the classic composers better than George and ramble easily against Don . . . the musical results often were staggering."

John D. O'Bryant

O'Bryant Speaker At Service

An ecumenical service of remembrance for the life of Martin Luther King, Jr., at Phillips Academy Sunday evening will have as speaker John D. O'Bryant, recently elected as the first black on Boston's School Committee in this century.

The public is invited to share this evening service and its special musical celebrations with the students and faculty of Phillips Academy. Singing at the service will be the Phillips Academy Chorus and the Academy's Gospel Choir.

A special performance for dancer and cello by Gail Ray and William Thomas will be a part of the commemoration of the martyred American civil rights leader whose program of Christian and non-violent protest inspired the American civil rights movement in the 1960's. 1968 marks the tenth anniversary of Dr. King's assassination in Atlanta.

Participating in the Sunday evening service will be the Academy's three chaplains — The Rev. Philip Zaeder, Father Thomas Hennigan, O.S.A. and Rabbi Everett Gendler — with other faculty and students. A reception in Cochran Chapel itself will follow the service and refreshments will be served.

Town House Topics

Legal Problems Face Road Acceptance

Castle Heights residents and their counsel appeared before the selectmen Monday night to discuss legal problems facing the area in attempting to get their road accepted by the town.

The problem stems from one resident having ownership of a portion of the roadway. All but the particular resident is agreeable to signing releases of the roadway property to the town.

Atty. Carmine W. DiAdamo informed the board that the simplest process, and most economical, would be to have the town take the road — Castle Heights and Joyce Terrace which are contiguous — by eminent domain for a fee of \$100. This could clear the title and allow the town and residents to meet other stipulations contingent upon road acceptance procedures.

But, selectmen were somewhat doubtful of the process of taking the road through this process.

Atty. Maurice Schwartz told the board that his client, the Goldberg family, which had title to some portion of the road were willing to convey the portion to the town and would take any action necessary to get the street accepted.

One resident, however, remains in control of the situation, having purchased the property and taking title within the past year.

Counsel was asked to confer with Town Counsel Alfred Daniels and the property owner, to see if the matter could be resolved. Articles will also be placed in the town meeting warrant, in the hopes of having the matter resolved by that time.

Kindergarten Changeover Is Jan. 30

The kindergarten changeover date in all elementary schools but Shawsheen is Jan. 30. Youngsters who have been attending in the morning will go in the afternoon and vice-versa. Parents have

received letters from their neighborhood principals regarding the details.

Shawsheen is exempt because it has only one kindergarten.

Selectmen May Accept Credit Letter

Selectman may approve filing of a letter of credit from a bank, rather than a cash bond for a gravel pit permit.

George Chongris, who has been granted a permit for an area off Blanchard street, asked the board in December to accept the letter of credit, in the amount of \$15,000, rather than a cash bond, which has been custom for such permits.

Acting Town Manager Sheldon S. Cohen informed the board this week, that he felt a letter of credit could be drawn up between the

town and a bank, which would be satisfactory to protect the town's interests.

The instrument would be similar in nature to the cash bond, allowing the town to take the money should terms of the granting of the permit not be met by the petitioner.

A decision was put off until such time as Cohen can present an agreement between the town and a bank, which adequately protects the town, and which the acting manager feels is possible.

Interviews For Assistant Superintendent

The school committee has cut back its marathon schedule of public meetings, but will keep busy this week and next interviewing six finalists for the job of assistant superintendent.

Associate Supt. Harry Westcott resigned from his job last summer to become superintendent of a district in New Hampshire. The post has since been downgraded a notch by the committee to "assistant" superintendent.

Some 80 persons applied.

In personnel action Tuesday night, the committee accepted the resignation of Dorothy Bailey, secretary at Doherty School, and named two winter season coaches: David Amundsen will be coaching intramural ice hockey at West Jr. High and Walter Marcille, at East Jr. High. Amundsen teaches physics at West Jr. and Marcille, at Doherty.

The next regular school committee meeting has been set for Jan. 24.

LWV Plans Winter Luncheon

The Andover Jade Restaurant will be the setting for the winter luncheon of the Andover League of Women Voters on Tuesday, Jan. 17 at 11:30 a.m.

Following the Chinese lunch, a program

will be held on the subject of Comprehensive Planning. The guest speaker will be Sheldon Gilbert, director of planning for the Boston Regional Office of HUD. He will discuss what is involved in a comprehensive planning process for Andover and the various ways it could be structured to provide for maximum participation by both town officials and interested citizens.

Anyone interested in attending the luncheon should contact Sue Sullivan, 25 Coolidge Road, before Jan. 13. She will also be handling babysitting arrangements.

Doll Contest

Turningpoint's The Front Porch, 13 Essex Street, Andover, is planning a Doll Contest to be held Jan. 24 through 28. The public is invited to enter homemade dolls or clothing, stuffed animals, or any unique original creation. People attending the showing during the week will have the opportunity to vote for the ones they like the best.

Winter Programs Set To Begin

The 1978 Andover Recreation Community Schools Department's Winter Program will begin on Monday, Jan. 23.

Registration for courses will be held on Tuesday, Jan. 17 from 7-8:30 p.m. All Andover residents are reminded that they should be prepared to show some proof of residency. Participants may register at Sanborn Elementary School or at the East and West Junior High schools. There will be no registration held at the Shawsheen School for the Winter Program.

A wide variety of special events highlight the new program booklet, with a trip to Boston Garden on Jan. 29, to watch the Boston Bruins take on the Pittsburgh Penguins, starting off the new season. In mid-February, Andover students in grades 8-12 will be traveling to Sugarloaf Mountain, Maine for a weekend of skiing, while locally the Merrimack Valley Ski Area will be offering both skiing and racing instruction classes during the school vacation period. The annual Floor Hockey Tournament is also scheduled for February. Intended for students in grades 4, 5 and 6, the tournament is designed for competition among teams representing

schools, organizations, and neighborhoods.

Further information (such as registrations, fees, etc.) on these special events is available at the Recreation Community Schools office. Registration forms are usually on hand several weeks before a specific program gets underway. Any changes in location or date of a special event will be announced well in advance of the time an event is to be run. New Features of the recreation aspect of the Winter 1978 program booklet involve each age group and include the following:

On Jan. 24, individuals will have the opportunity to learn the basics of one of the fastest growing winter sports in the country — Nordic Skiing. Such topics as: waxable vs waxless skis; base preparation; clothing; safety; equipment selection; and local touring will be discussed in a seminar format by Alan French and a crew of experts from Moor and Mountain of Andover.

Other skiing programs offered this season will be at the Merrimack Valley Ski Area in Methuen on Friday nights from 7:30-10:00 p.m.. A "Family Ski By Night" package will offer rentals, lessons, and practice skiing beginning on Jan. 20. On Jan. 10, a "Morning Ski" program will begin offering instruction to skiers of all levels of proficiency. Lessons will begin at 10 a.m., babysitting will be available for children two years and up, and registration will take place at the ski area. Saturday nights will be "Family Night at the Merrimack Valley Ski Area" when anyone with an I.D. showing proof of Andover residence will be able to obtain a discounted evening ski lift ticket for recreational skiing. The offer will be available all season and is effective immediately.

The Ballardvale Community Center will be open as a drop-in center and a central office from 2-5 p.m., Monday through Friday as part of the Greater Lawrence Outreach program. Trained counselors will be available to teens and parents. Counselors will also be involved in Outreach groups through the schools. Private appointments will be arranged by contacting the center.

New additions to the Public and Human Service program are: "Basic Sailing", presented by USCG Aux. Flotilla 1-303

which will be an introductory course in small boat sailing. "Standard First Aide and Personal Safety", where after successful completion of this course, a Red Cross certificate will be issued and the "C.P.R. — Heartsaver Course" has been expanded to include other courses such as "Basic Life Support", "Cardiopulmonary Resuscitation" and a "C.P.R. Certification Renewal" class.

The Community Schools Enrichment program's new courses include: Vickie Perrone's introductory "Stained Glass" course. Techniques of glass cutting, use of lead, soldering, pattern making and Tiffany's copper foil method will be covered in this class.

Selectmen To Meet Tuesday

Proposals for computer services will be reviewed by the selectmen when they meet in conference session next Tuesday night at the Water Treatment plant.

The board will meet at 7:30 on Tuesday, rather than Monday which is a legal holiday.

The proposals are those drawn up by the computer advisory committee in anticipation of seeking bids on data processing equipment for the town.

Other items on the agenda include review of the Arkwright-Boston subdivision plan for development of the West Andover industrial area.

Reading Session Jan. 24

The second in a series of sessions for parents on early childhood education has been postponed from Jan. 17 to Tuesday, Jan. 24.

The session, entitled "Is Your Child Ready to Read?", will be held at Memorial Hall Library from 7:30 to 9:30 p.m. A panel of experts discussing developmental issues and how Andover schools deal with beginning readers, will include Reading Specialist Theresa Murphy, Kindergarten Teacher Charlotte LaPointe, 1st Grade Teacher Mary K. Hervol, with Mrs. Phyllis Poore representing the nursery school-parent element.

Linnea Gershenberg, early childhood specialist for Andover schools, is running the series, and parents of youngsters in pre-school through 1st Grade are invited.

The third in the series, a panel discussion on "What Is Crucial to Language Development?" is set for Feb. 16.

Nurse Service Expanded

Mrs. Joanne Crawley, director of Lawrence General Hospital's Health Services department has announced that Visiting Nurse services provided by her department will be expanded through 8 o'clock in the evening.

"This expansion of service will provide nursing care for patients who may need more intensive care and are able to remain at home," explained Mrs. Crawley. As the demand for intensive home care increases, the Home Health Aide service will be expanded to the evening hours as well. Regular weekend Visiting Nurse service will continue on an as needed basis.

The Home Health Services Department continues to provide intermittent skilled nursing care, physical therapy, speech therapy, and Home Health Aides to the essentially homebound patient, under a physician's plan of care, which is adapted to the individual patient or his or her environment. For further information, call the Home Health Services Department at Lawrence General Hospital.

Weekend Academy Concert

On Sunday, Jan. 15, at 2 p.m., in the Addison Gallery, the Music Department of Phillips Academy will present its third annual Chamber Music Weekend Concert.

This concert is the culmination of a weekend of intensive musical study by students from the New England area, at Phillips Academy. The students participating are from private and public schools in the immediate area as well as throughout Massachusetts, New Hampshire, New York, New Jersey and Rhode Island.

The concert will include representative works from almost the entire range of chamber music repertoire. Admission is free and the public is invited to attend.

The first Academy Award given to something other than a human being went to Mickey Mouse in 1931-32.

Family Planning Workshop

The sympto-thermal method will be taught at a series of four meetings by the Couple to Couple League on Wednesdays, Jan. 25, Feb. 22, Mar. 22 and Apr. 19 (7-9 p.m.) at St. Augustine's Good Counsel Hall in Andover. The method taught is safe and effective; it is a far cry from calendar rhythm and is not the same as the Billings' method. Contact Gerald and Ann Marie Johnston, Morton Street or Charles and Kathy Kelley, Korinthian Way for pre-registration and further information.

The workshop will be taught by Gerald and Ann Marie Johnston — certified teaching couple in natural family planning/Couple to Couple league.

Bible Course Is Offered

An eight week course on the "Book of Revelation," the last book of the Bible, will be held on Thursday mornings at Turningpoint, 13 Essex Street, Andover, beginning Jan. 12. What the Bible reveals about current times will be studied in depth. Discussions will cover current events with relation to fulfilled prophecy and what is expected to happen in the near future that we should be aware of.

This course will be taught by Rita Carrier and is open to the women of the community. The sessions will open at 9:30 over a cup of coffee.

A Pre-kindergarten Bible Class will be available for children while the mothers are at the Bible Study. Babysitting for infants is also available.

Andover High Notebook

By Renee Pruneau

On Saturday, Feb. 4, the Andover High Yearbook Staff will sponsor a Flea Market from 9 a.m. until 4 p.m. in the Andover High Cafeteria.

The day will be spent buying and selling antiques, used furniture, extra household utensils, etc.

There are a total of fifty tables available, each ten feet long, cafeteria style. All will be payable in advance and rented on a first come, first serve basis. There will be no refunds. This is a great time to get your pre-Spring cleaning out of the way and finally do something with Great Aunt Nell's elephant-shaped umbrella stand or Great Grandma Moses old bentwood rocker that doesn't go with your furniture. Anyone interested in reserving a table, may do so by seeing Mrs. Skinner in the high school's main office between 9 a.m. and 2 p.m. or Mr. Wettergreen from 2 p.m. to 2:30 p.m. in Room 222. Even if you're not planning on buying merchandise, come on in and browse around. Refreshments will be on sale and admis-

sion is 25¢. For further information, call the school.

So far Andover is proving itself tough competition on the basketball court. Both JV and Varsity teams are undefeated and it looks like they will stay that way, or close to it. This season, the student body is so psirited about their winning teams, they are starting to look for a way to rent a bus to go to the away games held on Friday nights. So far there has not been much action on the issue.

The outdoor winter track team is another one that is showing Andover High's excellence. As of Jan. 9, their record was a fantastic 3-0. Records have been set by many of the members throughout the season.

Don't forget Saturday, Jan. 14, is Minstral Night. Starting at 7:30 p.m. the audience will be thrilled, awed and tickled by the many talented and humorous acts that will perform. So, make plans to spend an enjoyable evening at West Junior High Auditorium watching this year's first presentation by the Andover High Drama Club.

W.J.H. Activities

by Lauren Whitley

With the beginning of the New Year, West Junior High has started out with a number of planned events. The first will be a 50's dance to be held on Jan. 13. The Student Government intends to have many prizes, best dancers, and more. They also have arranged for a disc-jockey to play both 50's and contemporary songs at the dance. The students are looking forward to the dance and a large turnout is expected.

As a continuation of their studies on the judicial system, many 9th grade Social Studies classes have visited the Lawrence District Court. As spectators they witnessed how an offense is handled and the general procedures of the court. They also examined the jobs of the various members of the court and were able to speak with some of the people, and ask them questions. This experience gave the students an insight as to how our judicial system works, and it was rewarding in that it provided them with a chance to see justice in action. This unique and worthwhile trip may also have helped students in regards to their futures.

Focusing on W.J.H. sports, we've started out our basketball season fairly well with all the teams contributing wins to their records. The Freshman team has played four games so far, losing two, but winning in a game against East. With nine games left in the season they hope to better their record. The high scorers are Bob Heidt and Kyle Dorsey. The team is coached by George Sullivan.

The 8th grade team has an even scoring record with one win and one loss. They had a disappointing loss to East, 42-35 after leading in the first half. In the game against Methuen, West beat them soundly 42-26. The high scorers were Ted Kelley, Adam & Dan Roberts, and Russell Lewis. Also playing well in the game against Methuen were Jeff Gross and Andy Emmert. The team coach is Arthur Nichols.

The Girls Basketball team, coached by Katherine McCarthy also has a fair record with two wins and one loss. Their first game against Tewksbury was a victory for West 42-32. The second game was an unfortunate loss for West in a close game

with Chelmsford. The score was 42-37. Last Friday the girls played their third game against Billerica, in which they won 32-27. In all three games the highest scorer has been Debbie Lasota. The captains for the team are Lisa Fortune, assisted by Elizabeth Anderson and n-Marie Wesson.

Dr. Seifert Featured At Meeting

Supt. Kenneth R. Seifert will be the featured speaker at a Merrimack Education Center Mini-Parent Conference set for Jan. 25, from 7:30 to 9:30 p.m., at West Elementary School here.

Seifert's topic will be the subject of a book he has just co-authored with Dr. Larry Larsen, "Parents and Family: Reports of Their Death Have Been Greatly Exaggerated."

The session will also include discussion groups on adolescents, sex education and family communication.

The Mini-Conferences are open to parents in the Home-School League as well as individual members.

President Carter has signed the Youth Employment and Demonstration Projects Act of 1977, which initially will provide 200,000 job training opportunities for young people.

East Junior High Happenings

By Mart Lenoe

East Junior High School students art work has been submitted to the annual Scholastics Magazine art awards competition sponsored by the Boston Globe.

Entries include: Metal Toolings by Louise Miller and Nicola McMurray; Tempera Paintings: Dan Evans, David Avery; Graphics Design: Peter Lamson, Robin Reynolds, Tracy Padva, April Niessen; Block Print: Dan Evans, Brian Busta; Mixed Media: Michael Harvey, Michelle Silverio.

These people are students of East Junior High art teachers Patricia Pope, Susan Ooyevaar and Frances McCormick.

The school musical "HMS Pinafore" is planned for Feb. 11. Under the direction of Thomas Button of the Andover Music Department, the cast has been hard at work rehearsing this production which is the first attempt in a long time to put on a musical of this kind. Among the lead players are Jay Winnick, Sue Tanner, Paul Berger, Matt Avalos, Laura Hopwood and Sylvia Bornemiza. The 9th grade boys basketball team lost to Methuen 46-36 on Wednesday with Chuck Singer as high scorer with 16 points. On Friday, Jan. 6, the team lost to Billerica 45-39. High scores for East were David Avery with 18 points and Chuck Singer second with 16.

The girls basketball team has been working hard but has an 0-2 record thus far. The team is made up of six 8th graders and seven 9th graders. They include captains Jay Reming and Ruthann Tassinari, Liz Farnham, Pam Adler, Karen Lutz, Cindy Radford, Becka Gardner, Kathy Kinsella, Patty McGann, Monica McKinley, Amy Starensier, Beth Whitworth and Cathy Clark. The goal for the season is to strive each game for personal and team improvement. The girls hope their record will soon reflect their effort.

East's 8th grade boys basketball team, coached by James Hurley, are defending Middlesex, Northern District Champions. Continuing their winning streak with a 5-0 record to date are first team members Carmen Scarpa, Jon Pelletier, Mike White, Bill Caseldon and Brian Moriarty. Rounding out the team are Geoff Edmunds, Jeff Edwards, Gary Coon, John Avalos, Albie Cullen, Jason Powell and John Atanasoff.

A YBL Races Shaping Up

The Andover Youth Basketball League resumed action following the school holiday break. Division races took shape in the Junior and Intermediate divisions as the undefeated ranks dwindled to two after four weeks of play.

Junior Division

Tuesday's action found the Jaguars and Tigers each racking up their third wins and the Lions picking up their first. Saturday featured the meeting of the Jaguars and Tigers, with the Jaguars emerging on top of the division race. In the other games, the Lions and Leopards picked up wins.

Tuesday's Games

Lions-28, Cougars-22

The Lions picked up their first victory in a close contest with the Cougars. Trailing by 2 at the quarter, the Lions rallied to lead by 2 at the half. Both teams found their shooting eyes in the second half as the Lions extended their lead by two in each of the periods. Greg Hopwood, scoring in every period, tallied a game-high of 21 points for the Lions while Paul Oshan led the Cougars offense. Todd Patti led the Lions defense while Pete Quintal keyed the Cougars defense.

Lions: Hopwood-21 and Mark Patti-7. 7-21-28.

Cougars: Oshan-10, Fran Sullivan-7, John Terrion-3 and Joey Flossman-2. 5-17-22.

Jaguars-35, Leopards-26

After jumping out to an eight point half-time lead, the Jaguars were able to play

the Leopards even in the second half enroute to their third victory. Brian Mackey led the Jaguars offense with 18 points, scoring in every period, while Chris Comparato and Dan Sheehan chipped in to share 15. Mark Doherty of the Leopards hit for 11 in each half for a game high 22 points. Jun Ruben keyed the Leopards defense.

Jaguars: Mackey-18, Comparato-8, Sheehan-7 and Francis Lanio-2. 21-14-35.

Leopards: Doherty-22, Jerry Buss-2 and Matt Ostrowski-2. 13-13-26.

Tigers-42, Panthers-14

The Tigers extended their undefeated streak to 3 in dropping the cold shooting Panthers. Only two of the Tigers failed to hit the scoring column in the high powered Bengals offense. Tim Perry's 12 second period markers keyed the second period spurt which the Panthers were unable to overcome.

Tigers: Perry-18, Joe Hart-8, Larry Aiello-6, Kevin Bardsley-4, Peter MacDonald-2, Jane McLarney-2 and Tom Novelline-2. 22-20-42.

Panthers: Glenn Livermore-6, Tom Lutz-5 and Charlie Lowe-3. 9-5-14.

Saturday's Games

Jaguars-26, Tigers-16

The Jaguars won the battle of the division leaders by outscoring the Tigers 18-8 in the second half. The game looked like a rout as the Jaguars jumped out to a 8-0 lead after one quarter. The Tigers turned the tables in the second period as the

Ecologists say we can help maintain the balance of nature by the way we garden. It is what they call "companion planting" and the idea is that certain plants help each other by being close and others definitely do chemicals they give off, and the insects they attract and repel. Which ones go with what best? Some say broccoli likes smelly herbs and onions. Brussel sprouts enjoy being close to all members of the cabbage family. Beans are a joy and are compatible with most vegetables — except onions. Asparagus and tomatoes are a twosome — likewise peas and carrots. So be aware and read up on plant relationships. It's fun.

And it's fun to give and receive plants and flowers; stop by **TRULL'S MILL HILL FLOWER CENTER**, 411 River Rd., 851-6161 and pick out something special for that special someone. Greet the newborn and congratulate the happy parents with one of our novelly arrangements, and cheer up a sick friend with a beautiful flowering plant. We make daily deliveries in the area. Hours: 9-5:30 Mon-Sat.

teams opened the second half tied at eight. Brian Mackey's 12 second half markers broke the game open as the Jaguars continued their streak while dropping the Tigers to their first loss.

Jaguars: Mackey-16, Dan Sheehan-6 and Chris Comparato-4. 8-18-26.

Tigers: Tim Perry-8, Joe Hart-4, Kevin Bardsley-2 and Tom Novelline-2. 8-8-16.

Lions-22, Panthers-17

The Lions, starting the week in last place, found themselves in a third place tie at the end of the week in racking up back to back wins. Trailing by 3 at the half, the Lions rallied in the third period and then played the Panthers even in the final period. Greg Hopwood hit double figures at 14 to lead the Lions.

Lions: Hopwood-14 and Mark Patti-8. 4-18-22

Panthers: Glenn Livermore-7, Mike Melia-5, Tom Lutz-3 and Rich Burke-2. 7-10-17.

Leopards-22, Cougars-9

The Leopards finished the week even in dropping the Cougars to their fourth straight loss. The game was close at the half, with the Cougars down by only a basket. The second half was another story as the Leopards remained consistent and the Cougars offense was ice cold. Dave Jedrezek keyed the winners defense while Mark Doherty led the offense with 14. Mike Powers played a fine defensive game for the Cougars.

Leopards: Doherty-14, Matt Ostrowski-6 and Paul Kelly-2. 8-14-22.

Cougars: Paul Oshan-3, Pete Quintal-2, John Terrior-2 and Paul Valcourt-2. 6-3-9.

Villanova, Holy Cross and Boston College picked up wins. In Saturday's games B.C. continued undefeated and Dartmouth, Harvard and Villanova chalked up the other victories.

Tuesday's Games

Dartmouth-30, Harvard-28

The Green used a last period rally to pick up their first season win at the expense of the Crimson. The Ivy clash was close throughout with Harvard leading by four at the half. The Green cut the margin to 3 after 3 quarters. Steve Johnson and Tom Kannam then keyed the rally in which Dartmouth outscored Harvard 8-3 for the final margin. Johnson and Kannam hit for double figures for Dartmouth as did Matt Wells and Scott Zimmerman for Harvard.

Dartmouth: Johnson-14, Kannam-12, Terry Flynn-12 and Mark Nardone-2. 18-12-30.

Harvard: Wells-13, Zimmerman-10, Doug Lindquist-3 and Brian Bedell-2. 22-6-28.

Villanova-27, Northeastern-22

The Wildcats used a big second period to pick up their second win. Trailing 5-4 at the end of the first quarter, Villanova ran

off 15 points to the Huskies 3 for a 19-8 halftime lead. Northeastern rallied in the second half, closing to 21-18 after 3 quarters, but the Wildcats shut the door in the final period. Only one of the Wildcats failed to hit the scoring column while Bob French hit double figures for Northeastern.

Villanova: Chuck Frazzette-8, Sean Trombly-6, Tom Kelly-5, Rob Harrisoin-4, Brandon Bachner-2 and Brian Orlando-2. 19-8-27.

Northeastern: French-11, Ricky Desmarais-9 and Steve Young-2. 8-14-22.

Lemmon Returns

Jack Lemmon stars in "Tribute," a new play by Bernard Slade, author of "Same Time, Next Year," premiering at Boston's Colonial Theatre on Monday, April 10th. Morton Gottlieb, producer of "Same Time, Next Year," will present the new work and Arthur Storch will direct.

Holy Cross-44, NC State-26

The Crusaders ran their unbeaten streak to three in dropping State. After the intermission, State and Holy Cross played even, the Crusaders holding a 21-20 edge. The game was, however, decided in the first half as Holy Cross outscored State 23-6. The Crusaders got a balanced scoring attack with only one player failing to hit the nets. Holy Cross' Rob Slayton and State's Marc Bolan hit for double digits.

Holy Cross: Slayton-11, Chris Coots-9, Billy Vickers-9, Jim Terrior-6, John

Warriors Hoopsters 'Lanced' 42-40

By Jess Parks

It had to happen!

It's common knowledge that a basketball team can't go on winning forever, even if the team happens to be the Golden Warriors.

With this thought in mind, it becomes easier to accept Andover's heartbreaking 42-40 loss to Lawrence Tuesday night at Andover High.

The first quarter set the pace for the rest of the game. In a defensive struggle, only 18 points were scored. Andover led early on, 6-2, but Lawrence came right back to lead 10-6. At the end of the quarter the scoreboard read: Lawrence 10, Andover 8.

The Second period was identical to the first, if not slower. Lawrence at one time held a 6 point lead, however at the end of the first half the Lancer lead was only 2, 18-16.

At the outset of the second half, each team had a brief point spurt, the result being a 22-22 tie midway through the third quarter. The score deadlocked again at 30, but Lawrence managed to squeeze in 3 points and led 33-30 at the end of the period.

In the tumultuous fourth quarter, Andover actually regained the lead 36-35, but after a time out Lawrence was able to regroup and led 39-38 with 1½ minutes

remaining in the game. As the time ran down, the Warriors became desperate to get the ball and were practically forced to commit fouls. The results were 3 Lancer foul shots which clinched the game.

In this game, as in the previous Andover-Lawrence battle (60-54 Andover, in the Christmas tournament), the outcome of events was determined at the free-throw line. Although outscoring the Lancers in field goals 18-15, the Warriors took only 5 shots from the line, which probably is a record for the least foul shots taken in a game.

Lawrence, on the other hand, took 19 free throws and made 12 of them, including 5 which decided the game in the fourth quarter.

Another factor which determined the loss was a stubborn Lawrence defense which completely shut off the Warrior inside attack. This put the burden of the offense on Geoff Bragdon, Andovers only consistent outside shooter. Although he scored 14 points, Lawrence was able to cover him much of the time and thus put the brake to the Warrior attack.

Aside from Bragdon, other Warrior standouts were Mike Hart (7 point, 11 rebounds). Although the two did not have high point totals, they helped the team greatly with their consistent rebounding. Dave Farrell, who is increasingly im-

pressing with each game, had 6 points for the Warriors.

For Lawrence, Dennis Morin, playing with an injured ankle, had 8 points, as did

Tom Quinlan. Both Gil Desrosiers and Kevin Maclean had 9 points for Lawrence. Morin and Desrosiers both also had 7 rebounds.

X-Country Skiers In First Meet

Andover sent four cross country skiers to the first district race of the Bill Koch League. The Groton course was fast and rather difficult with some steep down and icy up stretchers. Andover's four, Dee O'Neil, Jeff Shupe, Mark Perlowski, and Hilly French skied well, finishing in places ranging from fifth to to twenty-second. 164 boys and girls from nine district ski clubs were competing. The next district race, on an easier course, will be held on Jan. 21.

The next practice will be held at the Phillips Academy football field on Saturday, Jan. 14 from 10 until noon. Assuming that we have snow games on skis will constitute a major part of the morning. Boys and girls 13 and under who might be interested in joining this cross country ski group are urged to come. Parents are welcome. If snow conditions are doubtful, please check at Moor & Mountain.

Winter Walk

Essex County Greenbelt Association is holding a winter afternoon walk on Sunday, Jan. 15 at the Captain Bill Woodlot in Middleton. If there is snow this will be an excellent opportunity for cross-country skiing and snowshoeing. Meet at 1 p.m. at the Topsfield Town Hall on Route 97.

Collins Sets New Records

Co-Captain Rick Collins of the Andover High track team established a new meet and new school record last Friday in winning the 300-yard run in the State Coaches' Meet held at Harvard University.

Rick broke the original record in his trial run with a time of 33.3 seconds, then topped that with a 32.5 time in the finals.

Collins was one of seven who competed in the meet for Andover, many of whom

had their best times this year were:

Ray Lynch in the 50-yard dash with a time of 5.7 seconds; Mark Hopkins, the 45-yard hurdles, with a time of 6.1 seconds; Dave Callaghan, in the 600-yard run, with a time of 1:19.9; Jim Hamilton, in the 1,000 yard run, with a time of 2:21.8 and Duane Innes in the mile run with a time of 4:40.

In the field events, Kirk Skinner threw the shot put 49 feet, one inch.

Ski Area Programs Offered

The Merrimack Valley Ski Area together with the Andover Recreation Community Schools Department will be offering three different skiing packages to Andover residents this winter. All season long Saturday nights from 6:30-10 p.m. are family nights when anyone with an I.D. showing proof of Andover residence may obtain a discounted evening ski lift ticket for recreational skiing. Money for the ticket is payable at the ski area.

On Tuesdays and Thursdays beginning at 10 a.m. on Jan. 10 and 12, the Morning Ski program will offer an hour of lessons and practice for skiers of all levels of proficiency. Baby sitting will be available for children 2 years and older for a minimal fee. Registration for this program will take place at the ski area.

The Family Ski by Night program will begin on Friday, Jan. 20 at 7:30 p.m. Lessons and practice skiing time will be

offered to all skiers signing up for this course at the Recreation Community Schools registration of Jan. 17. This is the only ski program which skiers do not sign up for at the ski area. Further information for all of these ski packages can be obtained by calling the Recreation Community Schools office or the Merrimack Valley Ski Area.

Fourth Quarter Surge Downs Billerica

13 THE TOWNSMAN, JANUARY 12, 1978

By Jess Parks

Andover almost had more than it could handle last Friday night in Billerica as the Warriors used a fourth-quarter rally to down the Indians, 63-42.

The game was close with the score tied three times in the first quarter. At the end of that period, Andover led by only two, 11-9.

Billerica stayed close throughout the second period, and at the end of the first half, Andover led by a mere 4 points, 25-21. The key to Billerica's success was their ability to control Andover's big scoring threat, Mike Hart.

This plan continued to work in the third quarter. Billerica came back to tie the game at 25-25 with 6 minutes to go in the period, and the game was literally up for grabs for the remainder of the quarter. With one quarter to go, the warrior lead was 1 point, 34-33.

This set the stage for a 14-4 Warrior blitz to open the fourth quarter; a Dave Farrell 3-point play, a few Geoff Bragdon jumpers, and a whole collection of bad passes by Billerica put the game out of reach. Billerica simply fell apart. Andover then outscored 29-9 in an overwhelming offensive display to end the game.

With Mike Hart held to a mere 6 points, the Warriors had to look elsewhere for point production. They found it in Geoff Bragdon, who poured in 22 points, most of them from the outside, and was a consistent factor in Andover's offense throughout the game. As Billerica concen-

trated on Hart, the path was opened for the other half of the Warrior inside attack, Eric Sullivan, the senior center has his best game this year, contributing 18 points and grabbing 10 rebounds. Dave Farrell also had an excellent game. Coming off the bench to substitute at guard he put in 10 points and led numerous Andover fast

breaks in the fourth quarter.

For Billerica, Ed Foley was the top scorer with 13 points, sophomore Andy Dagle had 11, and Lou Turco tallied 8. Turco also led in rebounds with 6.

The team looked slightly lackluster in the opening stages of the game, but showed their true talent at the end of the game.

Their 29 fourth-quarter points marked the most scored in any one period so far this year.

Player of the game: Eric Sullivan. With 18 points and 10 rebounds, Eric supplied the much-needed inside firepower that was needed to balance Billerica's control of Mike Hart.

J.V.s Romp

By Jess Parks

The Andover Junior Varsity basketball team won its fifth straight game last Friday night in Billerica with a 44-34 romp over the Indians.

The Warriors took a quick 7-0 lead, however Billerica would not give up and came back to tie the score at 7-7. But then Andover reeled off 8 more points and led at the end of the first quarter 15-7.

From then on it was all Andover. The lead grew to 20 points, 40-20, by the end of the third quarter, and then coach Bill Vickers put in the subs. Billerica did not, however, and were able to slash the Warrior lead to 10 points by the end of the game.

Dave Nardone led the Andover scorers with 14 points, displaying a potent outside shooting ability. Manny Silva put in 6 points and was largely responsible for the Warrior's initial lead.

For Billerica, Ray Nickerson and Bobby True were the top scorers with 7 and 6 points, respectively.

Warrior Icemen Win Big

By Rick Harrison

It was awhile coming, but when the Andover High hockey team won its first game of the 1977-78 season last Saturday the Golden Warriors did it in a BIG way.

Rookie Head Coach Pete Grogan's sextet took out its collective frustrations on Lawrence High, blasting the Lancers off the ice at the Billerica Forum, 14-5.

The youthful AHS squad, with only seven seniors among its roster of 20 skaters, has been taking its lumps in the strong Merrimack Valley League this winter.

But Grogan is realistically looking only for improvement from game to game, building for the future and hoping to stay competitive in the meantime with the Billericas, the Austin Preps and the Chelmsfords.

Injuries to senior forwards Len Foote and Mike Derby haven't made things any easier, but if the Lawrence game was an indication the Golden Warriors should win their share before the season ends.

Andover, 14-5

Junior center Paul Farnham led the Andover assault and projected himself into the MVHL scoring race, netting four goals and passing out four assists against Lawrence for a productive eight-point afternoon.

The output was three points below the league single-game record, for points, 11 held by current Austin Prep Coach Gary Bishop (1964), and gave Farnham 7-5-12 points in the league. That tied him for ninth in the chase entering yesterday's action, which came after TOWNSMAN presstime.

Backing up Farnham with two goals apiece were linemates Ken Southworth and Len Driscoll, along with Bruce Belbin, while single red-lighters were added by Pete Chiklis, Co-Capt. Tony Cammarata, junior wing Mike Anderson and junior defenseman Phil Weeks.

Southworth, a talented sophomore off to an impressive start, chipped in two assists to complete a four-point game.

Co-Capt. Brian Bresnahan and Cammarata chalked up two assists apiece, Brian Hardy one, Charlie Heseltine one, Chiklis one and Weeks one.

Southworth, who came up through the Andover youth hockey program as did most of the high school players, opened the AHS attack with a powerplay goal at 5:49 of the first period.

Farnham and Cammarata passed out the assists, setting Ken up for a 15-foot backhand that eluded Lancers'

sophomore goalie Dave Aziz.

Three minutes later (8:54) Farnham netted Andover's second powerplay marker on just its second PP opportunity of the game.

Farnham deposited a 10-foot backhand with Cammarata assisting.

Weeks upped the count to 3-0 with his first goal of the season, a 30-foot wrist shot that beat Aziz to the stick side just inside the left post at 10:57.

Cammarata boosted the advantage to 4-0 at 13:12 with his fourth goal, a 20-foot backhand set up by Brian Hardy.

AHS sophomore goalie Dave Cullinan, a transfer student from St. John's Prep in Danvers, was beaten 43 seconds later when Andy Russo punched in Ed O'Callaghan's rebound from the doorstep.

Earlier in the period (6:39) Cullinan turned in a brilliant save on Steve Dizazzo's point-blank wrist shot.

Southworth just missed making it 5-1 with 30 seconds left in the period, striking the post with a 15-foot wrist shot. It cost him a "hat trick" as things turned out.

Farnham launched the second period barrage with a shorthanded goal at the 2:08 mark, stuffing in Bresnahan's rebound.

Belbin boosted the score to 6-1 a mere 50 seconds later, Bresnahan again helping out, and 94 seconds later Farnham struck a third time. He stole a Lawrence pass and snapped a 25-foot wrist shot to Aziz' glove side.

Southworth pocketed his fourth seasonal goal 66 seconds later, making it four AHS goals in 3:30, poking the puck past Aziz as he tried unsuccessfully to cover up. Weeks and Farnham drew the assists.

Len Driscoll delivered his long-awaited

first goal at 9:20, taking a Farnham feed and cutting in front for a five-foot flip during another shorthanded situation (Weeks off for charging).

Lawrence made it 9-2 at 9:50, Steve

Dizazzo converting a 5-on-3 powerplay goal.

Mike Anderson countered 63 seconds

Bantams Have 'A Way To Go'

By Rick Harrison

"With an almost totally new team this year, we have a lot of work to do and a long way to go yet."

That evaluation came from Andover Bantam A hockey Coach Dick Neal, after his inexperienced squad went 2-3-0 in its five "pre-season" games before dropping its first two regular season contests to Concord, N. H. (5-0) and Newburyport (3-2).

Pre-Season

The pre-season games were part of the new Merrimack Valley League which consists of Andover, North Andover, Lawrence and Newburyport in the Bantam A division.

The locals split a pair of tilts with Newburyport, winning 7-2 and dropping a taut 2-1 decision on the road.

North Andover topped Andover twice, 6-0 at Brooks School and 3-2 at Phillips Academy.

Andover trimmed Lawrence 6-4 in their lone encounter.

Dave Deloury led the Andover marksmen during the pre-season with five goals in five games. John Fuchs added three, Ken Banfield and J. J. Pellegrino two each, Pete Dunn one, Rick Apgar one, Tom Fabiani one and Ed Sullivan one.

Concord, N. H., 5-0

Host Concord pocketed the only goal necessary at 0:44 of the first period, added a second red-lighter at 6:15 of the first period, led 3-0 after two sessions, and

wrapped up the offense with a pair of third period goals.

Andover was slapped with seven penalties in the contest.

Dave Leitch worked the first period in the Andover cage, and Kris Williams toiled the last two periods.

Newburyport, 3-2

Visiting Newburyport jumped to a 3-0 lead early in Sunday's game at PA, netting its first tally at 4:37 of the opening period and adding goals 82 seconds apart at 1:03 and 2:25 of the middle stanza.

Dave Leitch took over in the net during the second half of the game and blanked Newburyport, but the comeback fell one goal short.

Deloury put Andover on the board at 4:00 of the third period with his sixth goal. Jon Pelletier set it up by carrying deep into the zone, circling the net, and feeding Deloury at the left post.

Tom Hetley's unassisted goal at 6:29 made it 3-2, as he rushed from center ice and took a shot that a Newburyport defenseman accidentally knocked into the net.

Andover went on the powerplay late in the game but failed to net the equalizer.

Fabiani Injured

The Andover attack suffered somewhat with the absence of Tom Fabiani for both weekend games.

He sustained a badly-sprained ankle in a recent practice. The ankle is presently in a cast and Tom is on crutches. Neal in-

dicated he will be sidelined for at least another month.

Schedule

Andover has a busy three-game weekend coming up.

The locals host Concord, N. H. in a rematch tomorrow night at Merrimack

College (6:15 p.m.), then hit the road for Western Mass. and games at Pittsfield Saturday (12:30 p.m.) and at North Adams Sunday (10 a.m.).

The Andover players will stay in Pittsfield overnight Saturday in the homes of the Pittsfield players.

St. Augustine's Girls Win

St. Augustine's Girls Basketball team beat St. Monica's eighth grade by a score of 14-12.

The game was a thriller as St. A's came from behind and tied the score at 12-12 to send the game into overtime. Terri McGettrick and Marianne Morrison led the team with four points each and it was Terri's basket in overtime which won the game for St. A's.

Maura Dispensa led the team defensively especially in overtime as her block of an easy St. Monica layup helped to preserve the win. Other defensive standouts were Jean Oelwang and Joan Veilleux.

later, however, taking a Pete Chiklis pass from the right side and tipping the puck off Lancer backup goalie Rich Basiliere's pads.

Farnham's fourth lamplighter at 2:19 came when he tipped a Southworth pass home, and 19 seconds later Driscoll made it 12-2 with a 15-footer just under the crossbar and over Basiliere's glove.

Southworth and Farnham assisted to wrap up a prolific 14-point game for the first line.

Jose Costa notched Lawrence's third goal, and first against AHS sophomore netminder Paul Vayanos, at 8:42.

Pete Chiklis gave Andover a 13-3 lead with an unassisted goal 72 seconds later, and Belbin concluded the top single-game outburst in Golden Warriors' hockey history 36 seconds thereafter from Charlie Heseltine.

Dizazzo polished off his three-goal hat trick with tallies 39 seconds apart at 12:16 and 12:55 to conclude the scoring.

Andover finished with a 28-21 shooting edge, including 13-5 in the second period. Cullinan and Vayanos had 12 and two saves respectively.

Earlier Games

Andover turned in a pair of solid efforts in earlier games, bowing by a deceptive 7-1 count to Wilmington and 4-1 to Methuen.

In the loss to Wilmington, the score was tied 1-1 after one period and the Wildcats held a slim 3-1 edge after two stanzas before breaking the game open.

Tony Cammarata's unassisted goal was the extent of the AHS offense, but Cullinan made 21 saves in net and other good performances came from Farnham,

Southworth, Bresnahan, Bill Eaton and Steve Luby.

The Methuen game was scoreless for the first period, when Cullinan came up with 19 saves. Southworth's goal at 3:41 of the middle period, assisted by Len Foote and Brian Hardy, tied it 1-1.

The Rangers received later goals from Bud Haney, Ed Nutter and Mike Hovnanian for the win, but again Cullinan was outstanding with 36 saves.

Schedule

The Golden Warriors had another tough assignment last night, facing Chelmsford (4-2-0) for the first time.

This Saturday AHS meets Dracut at the Forum at 4 p.m., and next Wednesday the locals complete the first half of the MVHL schedule by battling Lawrence Central at the Forum (5:15 p.m.).

Following is the Andover scoring for its six MVHL games (does not include non-league game against North Reading).

Mrs. Richard MacGowan will present slides of the famous Bouchard Gardens in Vancouver, which show that something unsightly — in this case a gravel pit — can become a thing of beauty.

Co-hostesses for the evening are Mrs. Pat Dickson and Mrs. Belva Hopkins. This meeting is open to guests.

Water-saving showerheads were installed at Holy Cross College, Worcester, Mass., where 35 million gallons of water were saved during the first year resulting in heating cost savings of \$30,000, Massachusetts Audubon says.

Miss Gilday, a graduate of Andover

High School, class of '73, and the University of Maine at Orono, is currently a graphic artist assistant with the university.

Mr. Jensen, also a graduate of Andover High School, class of '72, and the University of Maine at Orono, is currently a physical education instructor in So. Paris, Maine.

A June wedding is being planned.

Marvin - Hunter

Suzanne Lyn Hunter of Reading and Kenneth Allen Marvin of Andover were married December 25 at the Church of the Open Bible in Burlington.

The bride is the daughter of Mr. and Mrs. Alfred James Hunter and the groom is the son of Mr. and Mrs. Harold A. Marvin.

The Rev. Carlton Helgeson officiated at the ceremony. Carol Ann Wikman of Woburn attended as maid of honor and Kurt A. Marvin of Andover served as his brother's best man.

The new Mrs. Marvin attended schools in Lynn, Burlington, Woburn and Reading, as well as the Burlington Bible Institute. She is Northeast District secretary for Stouffer Management Food Service in Burlington.

Her husband attended Burlington Public Schools and graduated from Andover High. He attended New Tribes Bible Institute in Wisconsin and the Burlington Bible Institute in Burlington. He is employed by the Burlington Foundry.

Following a skiing trip to Northern New England, they plan to make their home in Burlington.

Wedding Planned

Mr. and Mrs. Reagan L. DuBose, Jr. of Timothy Drive, Andover, announce the engagement of their daughter, Miss Rebecca Layne DuBose to Warren Frederick Kearn, Jr., son of Mr. and Mrs. Warren Frederick Kearn of High Plain Road, Andover.

A February wedding is planned.

Miss DuBose is a graduate of Andover High School and is currently attending Massachusetts College of Art in Boston. She is an employee of Jordan Marsh Company.

Mr. Kearn, is also a graduate of Andover High school and is currently employed by St. Roberts Bellarmine Church.

Choral Parents To Plan

The Andover High school choral parents association will hold a general membership meeting, Thursday, Jan. 19, 8 p.m. at the home of Beth Kiker, 28 Kathleen Drive. The purpose of this meeting is to discuss the choir's second major fundraiser of the year — a spaghetti supper and cabaret, to be held Feb. 3 and 4 at South Church.

In addition, the choir members will present an evening of outstanding musical entertainment. Featured will be the singing waiters and waitresses.

Funds from this event will help defray the cost of the choir's spring tour to Philadelphia and Washington, D.C. All choir parents are urged to attend.

Auxiliary Plans Dance To Aid MDA

Talent Show Is Planned

In cooperation with WBZ-TV and radio personality Dave Maynard, the Andover Exchange Club has announced that it will sponsor its second annual Talent Night Show this spring.

The show will be held on the evening of April 21st at the Andover West Junior High School. Auditions to qualify to appear on the Talent Night Show will be held at a date to be announced in the near future.

The show provides talent from the greater Andover area the opportunity to compete for prizes on the local level, plus the chance to appear on the Dave Maynard hosted "Community Auditions" television show on WBZ-channel 4. Two of last year's contestants who did appear on Community Auditions fared quite well against fellow performers from the New England area.

Ami Lowe of Andover, a pianist, placed first in her TV appearance; and Carla Byers, also a pianist from Andover, placed third when she appeared on Community Auditions.

For the Andover Exchange Club, the youngest club in National Exchange Club history to win the coveted "Big E Award" for Excellence, the Talent Night Show serves the dual roll of a community action project and fund raiser. The club will be releasing shortly information explaining how interested performers may register to audition for the show.

The auditions are open to talent of all ages.

less there is a tremendous, unexpected increase in the number of people who want the program.

Meanwhile, he said, the committee has to keep the whole school situation in front of them, and there are some classrooms in the system where there "is very much an injustice." Those should be corrected first, he said.

One of the traditional parents asked if the committee were putting a higher priority on consistency of services than on the traditional program and Casimir Kolaski answered, "that's why we're here... to set priorities."

He said it was his feeling that the defini-

tion of "consistency of services" is still very general, and that among the five committeemen there will be some disagreement. However, he said, his concern is that the pupils get basically an "equal shot" at all the schools.

At the committee's Jan. 24 session they are scheduled to begin spelling out "consistent services."

In their report, the Declining Enrollment Committee noted that some elementary schools have as many as six "special" rooms while others have none.

Last week Supt. Kenneth R. Seifert mentioned music, art, special ed, speech and hearing, math and language as those labs, media, and pre-school areas where services vary widely.

Recital

New England Conservatory will present a Faculty Recital featuring Yoriko Takahashi, pianist Wednesday, Jan. 18 in Jordan Hall.

The 8 p.m. performance will feature an all Beethoven program including Sonata, op. 90, Sonata, op. 110, Bagatelles, op. 126, Sonata, op. 106.

Miss Takahashi winner of the Cassello International Competition in Italy, the national Competition in Japan and the Studio Club Award in New York has performed

throughout the United States, Japan and Europe. The concert is free and open to the public.

Billington Academy Lecturer

"The Coming Generation in the U.S.S.R." will be discussed by Phillips Academy's annual Hosch Lecturer, Dr. James H. Billington, Friday, Jan. 13, at 8 p.m. in Kemper Auditorium, Phillips Academy. The public is invited to attend free of charge.

Dr. Billington, one of the nation's foremost authorities on Russian affairs, is the director of the Woodrow Wilson International Center for Scholars, Washington, D.C., an international institute for advanced study dedicated to producing advanced scholarship and interacting "the world of affairs and the world of ideas." Among the programs introduced under his directorship are the Kennan Institute for Advanced Russian Studies and the publication of the Wilson Quarterly.

The Hosch Lectures, sponsored in the memory of John Hosch, PA '53, were initiated during the height of the Cold War to present distinguished "spokesmen for democracy" on campus. Later the focus of the series expanded to include the problems and issues of democracy at work. With Dr. Billington's lecture, the series returns to an international theme.

Tropical forests (rain forests) represent 50 percent of the world's forested land; they occupy three percent of the earth's surface, Massachusetts Audubon says. They absorb and store more solar energy and dissipate more humidity than any other land cover. Cutting these forests may change global rainfall patterns to fewer but more intense rainfalls.

There is only a single, three year school committee term up for consideration by the voters this March.

In the selectman's race, Salamone will be faced by Atty. William J. Dalton in his

bid for the three year term. It is expected there will be a one year term for selectman on the ballot, pending the resignation of Selectman Richard J. Bowen.

Slide Talk

At Salem's Essex Institute, on Tuesday, Jan. 17 at 8 p.m. Bettina A. Norton, the Institute's N.E.A. print cataloguer, will deliver a slide-illustrated lecture utilizing

the rich resources of the Institute's collection of approximately 3,000 American historical prints. The title of her talk will be, "On and Off the Wall: Prints for Essex County Residents." Mrs. Norton's presentation is one of a series of staff lectures being scheduled over a several-years' period. This series was initiated in September with Associate Librarian Robinson Murray's talk on early printing in Essex County.

School Plans

(Continued from Page One)

renovation of the high school

• Construction of an auditorium, phys ed facilities and classrooms at the Shawsheen Road site, as well as renovation of West Jr. High and the high school.

The fourth alternative was downgraded Tuesday night from a "field house" after the committee considered dropping the physical education proposal altogether. However, they opted to the proponents for better gym facilities to have their day before the committee.

Athletic Director Richard Swift said he would return with detailed information about the phys ed program's needs. He said the high school can manage to keep its "quality" programs with its present facilities, unless more pupils are added. Should East Jr. High be phased out and all secondary pupils collected at the Shawsheen Road site, per one proposal, he said the facilities would be "absolutely deficient."

He reminded the committee that even now, Andover High falls below the state requirement of three hours of gym per week per pupil. Andover High pupils now receive only two.

Ahouse said he was "dead set against" a "luxury that allows the school to have indoor track and more people at basketball games," but said that the committee has not reviewed the phys ed program in light of Chapter 622 and other recent changes.

Committeeman Elaine Viehmann said she felt including a "field house" would jeopardize the entire project. "We have to be as close to the bones as possible if the town's going to accept it (the warrant article)," she said, while Colleague Casimir Kolaski said he wanted to present a more conservative image to the voters.

Joseph Finn felt the field house people should have "their day in the sun," and the committee voted unanimously to include "phys ed facilities" at least for further consideration.

Any or all of the alternatives could be dropped before Town Meeting and the committee will take up Building Alternative C, which calls for an auditorium and classrooms at the high school, at its Jan. 24 meeting.

The parents' petition presented Tuesday night noted that the high school is already 480 students above its designed capacity of 1200, and that enrollment will continue to rise for the next few years.

They asked for immediate, corrective action in the form of eight "modular, prefabricated classrooms" because, they said, "past experience suggests that new construction might well take three to five years from conception to occupancy."

They called the prefabs a "rapid, economical solution to this problem" and suggested eight could be obtained for a cost of about \$500,000 spread over the next five years.

Ahouse led the opposition to the prefabs, or portables, and favored instead a "long-term solution" that would involve permanent improvements at East Jr. High and/or Shawsheen Road. He said he felt adding a fifth option to the warrant article could cloud the whole building issue.

"We have one shot with Town Meeting," he said, "to correct many inadequacies at the secondary level." 2. He said he had voted against portables two years ago and was against them now.

A suggestion by Mrs. Viehmann that the money for portables be included under the expense portion of the budget because the portables and the building projects meet "distinctly different purposes," failed to get committee support, and the committee subsequently voted 3-2 against including portables in the warrant article as well.

Teenagers must be paid the same minimum wage and overtime pay as older workers, unless they qualify for certain exemptions specified by the Fair Labor Standards Act. The Act is enforced by the Wage and Hour Division, U. S. Department of Labor.

High School Presents Minstrel Show

Students at Andover High will present a Minstrel Show, Saturday, Jan. 14.

There will be no "black face" but all other aspects of the "Olde Minstrel Show" will be intact; the chorus, front line of dancing girls, the end men, the underlocuter and many fine skits and musical specialties.

The program is jointly sponsored by the Music Club and the Drama Club.

Several of the eras funniest skits will be presented. Included will be such all-time

favorites as Abbot & Costello's "Who's On First", starring baseball coach William Vickers and baseball Captain Dave Farrell. Many members of the administration and teaching staff have "pitched in" with the students to make the evening memorable and a great family entertainment. The show will be presented on this Saturday evening, Jan. 14 at 8 p.m. in the West Jr. High School Auditorium on Shawsheen Road. Tickets will be on sale at the door and the public is invited.

The Direction Of 208 Planning

Selectmen are still wrestling with the problem of what to do about the study of the Merrimack River Basin, otherwise known as 208 planning and funding thereof.

The board has been examining the matter for some time now, and at one point, attempted to get interested communities in the Merrimack Valley area to agree to protest a \$34,000 planning fund grant as being insufficient.

Receiving only small support at a meeting called by Andover officials (only North Andover and Haverhill had representation) the selectmen now must decide what to do about the planning project now undertaken by the Merrimack Valley Planning Commission with the \$34,000.

Admittedly the planning for pollution relief for the entire Merrimack River basin will cost substantially more than the \$34,000 allotted. Originally, Andover officials suggested that the towns involved seek the necessary, adequate funding from the federal government.

But, as the Andover selectmen have contended, the MVRPC has seen the opportunity to continue operations with the funding provided and has seized the opportunity.

Now, where does Andover stand?

First, Selectman Edward M. Harris, originally delegated by his colleagues, asked to be relieved of the assignment to the 208 planning process as an observer.

This the board agreed to do Monday night.

Harris, rightly contends that an observer lends little to the effort and the town's interests are not served unless the representative has some official status.

Harris further noted that the selectmen's schedule for the coming months makes attendance at any other meetings almost prohibitive.

Therefore, the board unanimously agreed to relieve Harris of the assignment.

But what about Andover's interests in the 208 planning process?

Selectmen will be discussing this further as they make a determination of what attitude would best represent the town in the overall planning process.

Suggested is that the board be kept abreast of developments through minutes of the meeting.

Acting Town Manager Sheldon S. Cohen feels that some representation would be helpful since Andover is going to be planned for anyway in the process, regardless of whether there is any official input or not.

Director of Public Works Robert E. McQuade, is of the opinion that the town would have a better chance of registering strong objection to the final plans drawn up, by avoiding involvement in the planning process from the outset.

McQuade feels that when the plans are finalized and presented to the governor for approval, Andover could be in a better position to have its representatives appeal to the governor not to sign the plan.

Any participation by the town from this point on, will put the town in the position of being actively aware of what takes place in the planning process and, in essence, lends tacit approval, McQuade contends.

We tend to agree.

Andover's attitude at this point, based on the insufficient funding of the project is either do the job right or not at all.

It seems a reasonable attitude to continue.

Down The Years With The Townsman

75 Years Ago — January, 1903

The first message to come into Lawrence over the new Pacific Cable was from Honolulu for Walter Love, a Phillips Academy student.

The crack in the South church bell has widened so that it can no longer be rung. An attempt will be made to fix it by sawing out a piece of the metal.

Edward Shattuck was awarded the contract to supply milk to the Lawrence jail during the ensuing year by the county commissioners. A Methuen man previously had the contract.

John Donovan has been elected captain of this year's baseball team at Punchard High school. Roy Lindsay will serve as manager.

The Andover football team has purchased red jerseys with a white letter A on them from H. F. Chase, the local sporting goods dealer.

50 Years Ago — January, 1928

Two bronze tablets, one bearing Lin-

coln's Gettysburg Address and the other General Logan's Memorial Day orders have been presented to Memorial Hall library by the Women's Relief Corps.

On Monday, the farmers of Andover held an all-day meeting at Grange Hall, with seminars and forums conducted by representatives from Essex Agricultural school. An afternoon program featured a stereopticon talk featuring "Kitchens of Essex County."

Miss Dorothy Trott, of Central street, has been elected secretary of the annual junior week to be held in the spring at Boston University. Miss Trott is a junior in the college of liberal arts and is a graduate of Punchard High school.

The pupils of the Stowe school were given a day off Monday due to the bursting of one of the heating pipes coming from the main plant. Repairs were made and classes resumed on Tuesday.

Thaxter Eaton, who has been serving as treasurer and historian for American

Legion Post 8, resigned those positions this week due to his announced candidacy for public office.

25 Years Ago — January, 1953

Worst snow storm to hit Andover in many years dumps up to 16 inches on the town, followed by an additional inch of rain and then freezing conditions.

The town will purchase a new police cruiser on a bid of \$2,222.32 to replace the police car destroyed in an accident last month.

The fire department responded to 288 calls during the past year, 63 more than in the previous year according to the annual report of the fire chief.

The January meeting of the PTSA of Punchard and the junior high school, will concern itself with the future of Andover public education and how best to meet continually increasing enrollments.

Thomas R. Wallace has taken out nomination papers for the one year term on the housing authority to which he was appointed this past year.

Casts Selected For Garrett Shows

At the midpoint in a very ambitious season, the award-winning Garrett Players have announced the casts for the three remaining shows of their 1977-78 season.

The first of these is "One

Flew Over The Cuckoo's Nest," a grim comedy set in a west-coast mental institution. Director Steve Kimball of Haverhill has announced that Mark Bouchard will appear in the role of Randal Patrick

McMurphy, the play's establishment-fighting hero. Vita Rolfsen will be seen as Miss Ratched, a venomous ward nurse who is perhaps more in need of therapy, then her patients, and Carmine Maglio has been cast as Chief Bromden, an inmate who must feign catatonia to escape the vicious realities of Ratched's "treatment." Others in the large cast include Dean Peterson, Tom Vittorioso, and Jean Barrile. "Cuckoo's Nest" opens Jan. 20 and continues through Feb. 5.

The award-winning musical "Cabaret" will follow "Cuckoo's Nest." The director of the production is Jack Dacey of Lowell whose credits include "Best Director" and "Best Set Design" nominations at the New England Theatre Conference. Val Waldron of Haverhill is the show's musical director. Sally Ann Moyer will star as Sally Bowles, the show's

irrepressible heroine, and John Fionte will be seen as the sardonic Master of Ceremonies. The romantic interest in Sally's life is provided by Dean Peterson as Clifford Bradshaw, a young English writer. Also appearing in the cast are Jo Wolker and Art Sharkey. "Cabaret" will play March 3 through 19.

The Garrett will close the season with "The Fantasticks," a musical love story by Tom Jones and Harvey Schmidt. Director of the production is Jacqueline Gervais, recipient of the "Best Director" Award for "1976" at the 1976 New England Theatre Conference. Heading the cast is John Fionte as El Gallo, a swashbuckling highwayman who acts as narrator. Neil Gustafson and Robin Jeans will portray Matt and Luisa, two starry-eyed lovers. Val Waldron is musical director of the production. The sword-play, music, and romance begin April 21 through April 30.

For Those Of Us Who Are Older

Mr. Spizer, who was scheduled to give legal counselling at the Haven Tuesday, Jan. 17, will not be available this month. Anyone with a legal problem is urged to call Merrimack Valley Legal Services at 46 Amesbury St. (687-1177). Individuals should identify themselves as Andover senior citizens and they will be put in touch with someone who can advise them.

On days that school is cancelled because of snow, there will be NO HOT LUNCH program. Seniors are advised to listen to radio reports of school closings to learn whether there is lunch that day. Remember — if schools are closed — NO LUNCH.

The Council on Aging is looking forward to a big year in 1978. Among their goals are trips to the Flower Show, the Quincy Market, as well as some of the Red Sox games, but highest of all their hopes is the installation and operation of the elevator for The Haven. Target date for completion is July.

The Haven is planning a dinner-theater party for Wednesday, Feb. 22 at Chateau de Ville. The performance will be "Same Time Next Year," starring Rosemary Prince. The dinner will be Chicken Classique. Total cost for the afternoon is \$11.50 and the bus will leave The Haven at 10:45 Wednesday morning. Stop by The Haven today and make your reservation. A happy outing in February is always a cheering event.

WEEKLY SPECIAL

President Carter to Press Israel; Wants More Territory Relinquished

WASHINGTON — President Carter, according to White House sources, will bring quiet pressure on Israel to give up more territory. It will take more concessions, he'll warn, to get a Middle East settlement that the Arabs will accept.

In return, the president will reluctantly offer to place American monitors between the Arab and Israeli forces. He is prepared to assign Americans both to Sinai and the Golan Heights.

Carter will stress that the stakes are extremely high. A breakdown of the Israeli-Egyptian negotiations will strengthen the Arab extremists, increase Soviet influence in the Middle East and possibly lead to a fifth Arab-Israeli war. The president will argue that Israel will be better off giving up more territory.

The Egyptians and Israelis, meanwhile, are getting along better than American observers had expected. The Israeli negotiators have received a friendly reception from the Egyptian people.

Egyptian President Anwar Sadat, according to diplomatic reports, has developed a special fondness for Israel's Defense Minister Ezer Weizman. The two men carried on an intense, across-the-table conversation at a dinner given for Sadat in Israel. At one point, Weizman cracked that Sadat's peace mission would put him — Weizman — out of a job.

Later, Sadat was in his car, ready to leave for the airport, when Weizman appeared to say goodbye. The Egyptian president leaped out of his car, grabbed Weizman by the shoulders and planted a kiss on each cheek.

Weizman, incidentally, is considered by many to be the next in line to become prime minister.

The Soviet Union, meanwhile, is intensifying its efforts to sabotage the Egyptian-Israeli peace initiative. Secret intelligence reports tell of Soviet contacts with the Arab factions that have turned against Sadat.

One report claims that the Soviets have encouraged the Palestine Liberation Organization to oppose Sadat and thwart his peace efforts. The Central Intelligence Agency has also reported that the Kremlin has offered military support to Libya's Muammar Qaddafi in case of a showdown between Egypt and Libya. Presumably, the Soviets are talking about military equipment, not intervention.

The Kremlin has also sent signals to the United States that the Soviets will boycott a Geneva Conference on the Middle East — if its purpose is to endorse an Egyptian-Israeli agreement.

President Carter, in turn, has sent word back to Moscow that there is no move to freeze the Soviets out of the peace settlement. Carter has sought the Kremlin's cooperation,

so far without success.

The Soviet strategy, apparently, is to strengthen Soviet ties with the anti-Egyptian forces in the hope that the peace efforts will fail. This would leave the Soviets in the dominant position with the Arab leaders who would be saying, "I told you so."

White Collar Crime: Big-business chiseling is known as "white collar crime." It is costing every American citizen about \$1,000 per year.

Bribery, consumer fraud and anti-trust violations, according to our sources, take \$200 billion out of consumers' pockets every year. That averages out to \$1,000 apiece.

But the federal government is doing nothing about it. At one time, President Carter had announced that fighting white collar crime would be one of the highest priorities of his administration. But for all the promises, our sources say, the Carter crew lacks any real plan to stem the tide of corporate thievery.

Hopefully, President Carter will be more effective against white collar crime than was his predecessor, Gerald Ford. When he was president, Ford established a "White Collar Crime Committee." But that group, according to our sources, never even met.

Flag Follies: Every year, members of Congress hand out thousands of American flags to their constituents. Each flag is

certified as having flown over the Capitol dome. If a new flag were run up every day, it would add up to only 365 certified, over-the-dome flags all year. So where do all the flags come from?

There is a "flag office" on Capitol Hill. It consists of a single desk in the architect's office. It is occupied by a woman whose mission it is to see that a sufficient number of flags are flown over the Capitol dome each day.

She delegates this assignment to three custodians. Each of them spends about two hours a day running flags up and down the three flagpoles on the Capitol dome. On an average day, they raise and lower between 100 and 150 flags.

Golf Course Diplomacy: Robert Trent Jones, a famous golf course architect and son of legendary golfing great Bobby Jones, met with Philippines President Ferdinand Marcos on a Manila golf course recently.

Jones was carrying a letter from Sen. Alan Cranston, D-Calif., requesting that Marcos exile his chief political opponent, who had been sentenced to death. As Jones was about to hand the letter to Marcos, however, he had second thoughts. He pocketed the Cranston letter and later had it delivered through diplomatic channels. Marcos is still weighing his opponent's fate.

Representative Town Meeting

To the Editor of the TOWNSMAN:

Valuable as the old-fashioned town meeting is, the facts regarding the Andover town meeting compel us to question if Andover has now become so big that a representative form of town meeting would better serve the people's welfare. One fact is that it is often difficult to obtain a quorum, even with the ridiculously low requirement of less than 400 voters. Another fact is that special interest groups can, under certain conditions, "pack" the meeting and cause it to take action which may not be beneficial to the town as a whole.

If we do opt for a representative town meeting, it should be so constituted that individual neighborhoods elect their own

representatives. One obvious change would be to make precinct boundaries, wherever possible, run through largely unpopulated areas, such as Carmel Wood, rather than along heavily populated highways, such as Elm Street.

The many ramifications of this suggestion require considerable study, which might well be made by a committee of interested townspeople, including someone familiar with all the statutes governing representative town meetings, and if he is available, our own representative in the General Court. Such a committee could be authorized by the 1978 town meeting, with a request to report to the 1979 meeting. I, for one, would be glad to participate in the necessary petition and other steps to get this matter into the warrant for the 1978 April meeting.

Memorial Hall Library Western Film Series Continues

"Elements of the Western" is the topic of the second program in this 3-part series on Western Films. E. Graham Ward, Chairman of the English Department, Brooks School, will introduce the topic, which will be followed by two films: "Sugebrush Law" (1942) with Tim Holt and "The Battle of Elderbush Gulch" (1913) directed by D. W. Griffith. "The Battle of Elderbush Gulch" is often considered to be a major influence on setting the pattern for the classic western.

This program is scheduled for Wednesday January 18 at 7:30 p.m. and everyone is invited to attend. Anyone under 12 years old must be accompanied by an adult.

Poster Display

In conjunction with the Western Film Series, the library has an unusual series of Western Film Posters on display. This extensive collection of "one sheet" billboard posters on loan from Michael King, features William S. Hart, Tom Mix, Hoot Gibson, Buck Jones and many others. The emphasis is on rare crayoned lithographs from the 1920's and 1930's.

Children's Room News
by Bridget Bennett

The Children's Room is pleased to announce that a collection of antiwque

dollhouse furniture lent by Mrs. Clara Kelly and family is now on display. This collection has travelled over the world with three generations of her family and during World War II, was actually hidden in the walls of her grandmother's house in Holland for safekeeping. So be sure to drop by and look at the many fascinating items in this collection.

Of interest to nursery school teachers and others working with pre-school children is our new set of Hap Palmer records. These are designed to help with various areas of developmental skills using movement, music, and activity games.

For those who are anticipating being snowed in some time during the next few weeks, we have set aside a collection of exciting stories called "Adventuring with Books". These include accounts of shipwrecks, survival adventures, tales of exploration and treasure seeking. So, before the next winter storm arrives, why not come in to the Children's Room for some adventurous reading!

Holiday Hours

The Library will be closed on Monday January 16 for Martin Luther King Day. On Sunday January 15 the Library will be open regular hours, 2 - 5 p.m.

Rededication Of Cage

The Case Memorial Cage at Phillips Academy was rededicated last Saturday, with the renovated facilities viewed by over 600 alumni, friends and sports enthusiasts. The new facilities provide for more capacity for athletic activity and the Saturday ceremonies were a part of the academy's bicentennial program. In photo at top left, Leo Daley, Andover resident and graduate of PA in 1923, talks with Helen M. Eccles, academy public relations director. Daley, a track star while a student at the academy, took a turn on the new indoor track and cut the ribbon. Top right, Headmaster Theodore R.Sizer, assists Hal Wennik with his jacket. Wennik is an avid Andover sportsman, on hand for games at both the academy and the high school, and is the father of Joe Wennik, lower left, P.A. athletic director. Bottom right, Dick Collins, Andover High head football coach, PA alumnus where he excelled in track, addresses the gathering representing alumni track record-holders.

Skiers Race By Sudbury

In their first race of the 1978 season, the Andover Buddy Werner Ski Team scored a resounding victory by defeating Sudbury 355-165. The race was held on Sunday, Jan. 8, at the Bradford Ski Area in Bradford.

The Andover racers who were ribbon winners were as follows: Girls age 7 and under — 1st place Shannon Smith; 2nd place, Amy Heislein; 4th place, Heather Koehler; 6th place, Jennifer Bride and 7th place, Joan Asgerisson. Boys age 7 and under — 1st place, Robert Hughes; 4th place, David Shaw; 5th place, Jason Tucker; 7th place, Brent Rafferty; 8th place, Craig Knight; 9th place, Katrina Smith; 4th place, Cheryl Crawford; 5th place, Katy Hughes and 6th place, Samantha Thomson.

Boys age 8 and 9 — 1st place, Robert Carpentier; 2nd place, John Schow; 5th place, Mark Baldwin; 6th place, Alex Eckel; 7th place, Thomas Sutton; 8th place, Byron Poisson; 9th place, Erik Asgerisson and 10th place, Christopher Graff.

Girls age 10 and 11 — 1st place, Tina Sutton; 2nd place, Stacey Hostetter; 3rd place, Brenda Busta; 4th place, Sally White; 5th place, Maegan Hughes; 6th place, Kristina Zissis; 9th place, Maureen O'Brien and 10th place, Karen Reddington.

Boys age 10 and 11 — 1st place, Thomas Bride; 2nd place, Kirk Orrel; 4th place, Larry Cuddy; 5th place, Ellis Eckel and 9th place, Robert Teichert.

Girls age 12 and 13 — 1st place, Jana Caldwell; 2nd place, Vicki Simpson; 4th place, Amy Hostetter; 5th place, Linda Weiner; 6th place, Alane Sullivan and 7th place, Johnna Treska.

Boys age 12 and 13 — 1st place, Mike

Smotrich; 6th place, William Baldwin; 9th place, Chris Mattson and 10th place, Jeff Morton.

Girls age 14 and 15 — 1st place, Amy Simpson; 2nd place, Robin Weiner; 3rd place, Sarah Simpson; 4th place, Ellen Teicher; 6th place, Gretchen Munn; 7th place, Carrie Smotrich and 8th place, Kathy O'Brien.

Boys age 14 and 15 — 1st place, Richard Second; 2nd place, Timothy White; 3rd place, Eric Teichert; 4th place, Gary Hall and 6th place, Brien Busta.

Andover's next race will be held on Sunday, Jan. 15, at the Jerico Ski Area. Andover will be the host team in a contest versus Framingham, Lincoln and Boston. The race is expected to begin promptly at 9 a.m. All racers should be at the hill as early as possible so that they may register, pick up their bibs and have an opportunity to study the course. In the event of no-snow conditions and the necessity for a change of locations, all racers will be contacted.

The next scheduled snow practice will be held on Wednesday, Jan. 18, at the Bradford Ski Area from 6 p.m. to 7:30 p.m.

Sports Show

The new sportsman's show that started a revolution in the kinds of exhibits and programs offered at shows for the hunting and fishing fraternity is back. The second annual Eastern Fishing and Outdoor Exposition is scheduled for March 8 through 12, 1978, at the Sheraton Exhibit Center, Sheraton Inn, Boxborough. Last year the Eastern Expo was the first major sports show in the East to produce a "pure show", without any hard-sell pddlers, nonsense exhibits or carnival atmosphere.

Trip Is Planned

The Andover Recreation Community Schools Department is sponsoring a Boston Bruins Family Night on Sunday, Jan. 29.

Andover residents will have an opportunity to watch the Bruins take on Peter Mahavolich and the Pittsburgh Penguins that night at the Boston Garden beginning at 7:30 p.m. A limited number of tickets will be available at the Recreation Community Schools office on Bartlet Street beginning Thursday, Jan. 12.

Tickets are for first balcony seats and ticket costs will include transportation to and from the game. Only one bus will be provided. For further information concerning this special event, contact Recreation Community Schools office.

Girls' Hoop Clinic Is Planned

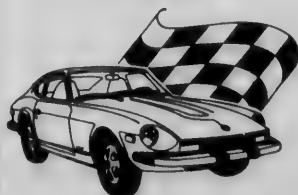

The Andover Recreation
Community Schools
Department's Elementary
School Girls Basketball
League will have a clinic at
the Bancroft School Gym-
nasium on Saturday, Jan.
14 beginning at 9 a.m.

Coach Arlene Doherty of
the St. Augustines Girls
Basketball Team will be in
charge of running the clinic
that will deal with such
skills as passing, shooting,
dribbling, various types of
defenses, rules and infrac-
tions and the kinds of fouls
that are most often com-
mitted.

The league opener will
begin at 9 a.m. on Jan. 21.
Due to the Bancroft Gym
being occupied by another
group of Jan. 21 and Jan.
28, the first two weeks of
the schedule will have to be
played at the Sanborn
school at the originally
scheduled times. League
play will return to the Ban-
croft School gym on Satur-
day, Feb. 4.

Boston College-42, Boston University-16

After a close quarter, the Eagles blew open the game in the second period with an 18 point bulge enroute to their third win. B.U. staged a rally in the third period, outscoring the Eagles 9-8, but the damage had already been done. Todd Lockwood and Jon Baer hit for double figures for B.C.

B.C.: Lockwood-16, Baer-10, Dick Kelley-8, Jim Lowe-6 and Dean Orfanedes-2. 26-16-42.

B.U.: Jon Bram-5, Tom Maginnis-4, Tom Powers-4, Dave Beanland-2 and Jeff Canovitch-1. 4-12-16.

Saturday's Games

Boston College-34, Holy Cross-29

Both teams entered this contest with 3-0 records and after 3 periods only a basket separated the teams. B. C. opened with a 10-2 lead after a quarter and appeared enroute to a rout, but the Crusaders chipped away in the second period as the half ended 16-9. Holy Cross rallied well in the third period for their fourth season victory. Dick Kelly hit for double figures for the Eagles as did Chris Coots for Holy Cross.

B.C.: Kelley-11, Jon Baer-9, Todd Lockwood-9, Jim Lowe-3 and Dean Lockwood-2. 16-18-34.

Holy Cross: Coots-11, Billy Vickers-8, Jim Terrion-6 and Rob Slayton-4. 9-20-29.

Dartmouth-42, Northeastern-37

Beginning the week winless, Dartmouth found itself in a third place tie at the end of the week by topping winless Northeastern. The Huskies appeared enroute to their first win as they led 18-15 at the half. The Green rallied in the third period and outscored the Huskies 15-6. Northeastern then staged a final period rally which fell just short. Steve Johnson and Tom Kannam hit double digits for Dartmouth as did Bobby French and Ricky Desmarais for the Huskies.

Dartmouth: Johnson-16, Kannam-12, Mark Nardone-9, Terry Flynn-4 and Kelly Shannon-1. 18-24-42.

Northeastern: French-21, Desmarais-11 and Tom Middleton-5. 15-22-37.

Harvard-33, NC State-14

Harvard became the first Intermediate Division team to place all players in the

scoring column as they evened their record at two. State fell victim to cold shooting as the Crimson opened red hot. At the half Harvard enjoyed a 20-6 lead then coasted in the second half. Hitting for double figures were Scott Zimmerman for Harvard and Marc Bolan for State.

Harvard: Zimmerman-13, Brian Bedell-4, Doug Lindquist-4, Ron Lindquist-4, Steve Perlberg-2, Gene Sullivan-2, Billy Weidman-2 and Charlie Ziegenbein-2. 20-13-33.

NC State: Bolan-10, John Hopwood-2 and Brett Larrabee-2. 6-8-14.

Villanova-39, Boston University-16

In dropping B.U. the Wildcats chalked up their third straight win. B.U.'s offense couldn't get untracked until the final quarter, but by then Villanova's Rob Harrison and Chuck Frazzette hit for double figures.

Villanova: Harrison-20, Frazzette-14, Brian Orlando-3 and Sean Trombly-2. 26-13-39.

B.U.: Tom Maginnis-6, Tom Powers-6, Glenn McAnally-2 and Mike Redgate-2. 6-10-16.

Senior Division

The Senior Division also swung back into action last week. The Bullets and Lakers lead the division with 2-0 records. In last week's games, the Bullets, Lakers and Kings picked up victories.

Kings-30, Hawks-19

The Kings, a new-name team to the AYBL opened on a winning note in topping the Hawks. The Kings offense was consistent for four quarters while the Hawks

simply couldn't find the hoop in the first half. The Kings led by 9 at the quarter and 13 at the half. In the third quarter the Hawks finally got on track offensively, but the Kings shut the door in the final period. The Kings Barry Goodman hit for double figures.

Kings: Goodman-10, E. J. Perry-8, Scott Tobey-8 and Eric Fredette-4. 17-13-30.

Hawks: Mark Haddad-7, Joe Zemis-7, Tim Hart-3 and Jeff Lindquist-2. 4-15-19.

Bullets-37, Nets-24

The Bullets made it two in a row by dropping the Nets. In this game the Nets were untracked offensively for three quarters while the Bullets remained consistent throughout. The Bullets led by 9 at the half and extended the lead to 17 after 3 periods. Chris Connor and John Stahl hit for double figures for the Bullets as did Tom Stedman for the Nets.

Bullets: Connor-12, Stahl-12, Joe Buzzett-7, Ben Bram-4 and Chris Valcourt-2. 17-20-37.

Nets: Stedman-16, Jim Dietzel-4, Mark Rosen-2 and Kevin Wilson-2. 8-16-24.

Ski Touring

Boston University's Ski Touring Center at Sargent Camp in Peterborough, N.H., has opened for the season.

The center is open to the public all winter from 1 p.m. Fridays to 4 p.m. Sundays.

Both beginners and experienced cross country skiers may enjoy the camp's 15 miles of groomed trails, which range from relaxingly easy to moderately difficult. Most trails afford a splendid view of the area's main attraction — Mt. Monadnock.

Lakers-50, Celtics-37

The Celtics, defending champions from last year, got off to their worst start ever by dropping their second in a row, this time to the Lakers. The Lakers needed a big second half, however, to turn the truck. Trailing by 6 at the half, the Lakers rallied to lead 30-29 after three quarters. The Lakers big last period told the story as they outscored the Celtics 20-8 for the final margin. Ted Liszewski and Barry Bloom led the Lakers in double digits as was Mike Yuska for the Celts.

Lakers: Liszewski-17, Bloom-11, Jay Flynn-9, Dennis Glynn-9, Bob Kimmerle-2 and Connie Twomey-2. 15-35-50.

Celtics: Yuska-25, Jack Kramer-6, Craig Lebowitz-4 and Adam Wise-2. 21-16-37.

St. Robert's Paces Senior Division

By Rick Harrison

St. Robert's B stood alone at the top of the Senior Division in the Andover Church Basketball League after the first month of play.

The pacesetters were the only undefeated team (3-0) and led tri-runners-up St. Augustine A, Ballardvale United and St. Robert's A (all 2-1) by one game entering last night's fifth round.

FIRST WEEK

St. Robert's B, 42-36

St. Robert's jumped to a 12-3 first quarter lead and then held off Ballardvale United the rest of the way for an opening 42-36 win.

BU closed the gap to 18-14 at halftime, but still trailed by four (32-28) entering the final period. St. Robert's, led by Don O'Brien's four points, outscored United 10-8 over the final stanza to preserve the victory in the close encounter.

Bill Troy topped the St. Robert's offense with 11 points, while rookie Bob Leitch also cracked double figures with 10.

Phil Farr, another rookie fresh off an outstanding Pop Warner football season as quarterback for the Tewksbury powerhouse, netted 7 points, Scott Nottle 6, O'Brien 6 and Don Lindsey 2 points.

Jay McLeod paced the BU attack with a game-high 21 points, nine in the second period, while Bill Crabtree and Kevin Hollenbeck notched 4 points each.

Bryan Liang, Dave Brown and Kurt Jensen contributed second half buckets, while Todd McLeod swished a free throw.

St. Robert's B was 4-for-20 at the charity stripe and BU 2-for-11.

St. Robert's A, 29-24

Mike Leary led a fourth quarter charge that carried St. Robert's A to a come-from-behind 29-24 conquest of South-Baptist.

S-B led 7-3, 14-11 and 18-15 at the first three breaks, but St. Robert's A put on a 14-6 burst at the end to pull out the win.

A. J. McGovern led the victors with 9 points, Leary added his 8 well-timed markers, Tom Palma had 6 second period points, Ken Saliba 5 points and Gregg Praetz one free throw.

Steve Rathbun of S-B led all scorers with 12 points, Tom Steadman added 6, Scott Tobey 5 points and Tim Whitton 1 foul shot.

Christ Church, 36-19

Christ Church had little trouble turning back St. Augustine B, 36-19, as Mark Rogers poured through 20 points and Eric Fredette added 8 for C-C.

Chris Connors chipped in 4 points, while Mark Frost and Mike Blair delivered first and fourth quarter baskets respectively.

Steve Parker was the big gun for St. Augustine B with 15 points, Greg Shepard had 2 and Mark Paradis 2.

SECOND WEEK

Ballardvale, 24-16

BU rebounded to square its ledger, outscoring Christ Church by small margins in every period enroute to a 24-16 victory.

Bryan Liang popped in 8 points, Bill Crabtree 6 in the second half, Kevin Hollenbeck 4, Jay McLeod 3, Dave Brown 2 and Russ Bird one free throw for United.

Mark Rogers was game-high for C-C with 10 points, while single fieldgoals were scored by Eric Fredette, Chris Connors and Mark Frost.

Ballardvale led 3-2 after one quarter, 10-5 at halftime and 14-9 after three periods.

St. Augustine A, 41-23

St. Augustine A snapped a 4-4 deadlock with a 19-9 burst in the second quarter, and then coasted past South-Baptist 41-23.

The well-balanced St. A's attack featured eight scorers, led by Dave Fluett with 10 points, rookie Ted Kelley 9 and Brian McGettrick 8.

Ed Powers and Tim Hart chipped in 4 points apiece while Pat Beaudine, Dennis Sheehan and Mike Beaudine had solo buckets.

Steve Rathbun was game-high marksman with 17 for S-B, Art Dunleavy tossed in 4 second-half points, and charity

tosses were swished by Scott Tobey and Tom Steadman.

St. Robert's B, 2-0

St. Robert's B remained undefeated the easy way, registering a 2-0 forfeit over St. Augustine B while could not floor a team.

THIRD WEEK

St. Robert's B, 21-14

St. Robert's B used a 6-0 first quarter lead as the springboard to a 21-14 conquest of intra-church rival St. Robert's A.

Bob Leitch flipped in 7 points, Bill Troy 5, Phil Farr 4, Dave Spychalski 3 and Scott Nottle 2 for the youthful victors.

Stuffing 3 points apiece for St. Robert's A were Ken Saliba, A. J. McGovern, Tom Palma and Gregg Praetz. Mike Leary added a second quarter fieldgoal.

Brad Kutcher, Jeff Deveau and Bruce Crochetiere also turned in solid performances for the A-quintet.

St. Augustine A, 50-20

St. Augustine A's 50-20 triumph over Christ Church didn't develop into a "laughter" until the second half.

The winners led only 11-8 at halftime, but increased the cushion to 25-16 after three periods before unloading 25 additional points in the final quarter.

Once again eight players hit the scoring column as Eddie Powers tossed in 10 points, Dave Fluett 8, Brian McGettrick 8, Pat Beaudine 6, Rich Sambuco 6, Tim Hart 5, Mike Beaudine 4 and Dennis Sheehan 3.

Mark Rogers continued his hot shooting for C-C with a game-high 13 points. Mark Frost scored 4, John Rogers 2 and Mark Mitchell canned a foul shot.

St. Augustine A shot a credible 8-for-19 at the charity stripe.

South-Baptist, 48-30

Steve Rathbun and Scott Tobey combined for 38 points as South-Baptist snapped a 14-14 first period tie and went on to stop St. Augustine B, 48-30.

Rathbun dunked 22 points and Tobey 16, while support came from Tim Whitton with 6 points and Art Dunleavy 4.

Top gun for St. Augustine B again was Steve Parker with 15 points. Steve Farrington netted 4, Greg Shepard 3, and single buckets were scored by John Parker, Mark Boyle, Bob Kimmerle and Tom Galvin.

FOURTH WEEK

Christ Church, 43-28

C-C squared its record with a 43-28 triumph over South-Baptist, breaking open a 20-19 game with 10-5 and 13-4 scoring edges over the third and fourth quarters.

Mark Rogers, divisional scoring co-leader, emerged as game-high marksman with 15 points and Mark Frost hit twin digits with 10 for C-C.

Rounding out the victors' charge were Eric Durant and Eric Fredette with 6 points each, Mike Blair 2, Chris Connors 2 and Mark Mitchell 2.

Dave Jennings also played well for Christ Church.

Tom Steadman was tops for S-B with 11, while Steve Rathbun was held to 7 points including just one over the final three quarters.

Scott Tobey dropped in 5 points, Tim Whitton 3 and Art Dunleavy contributed a second period basket for South-Baptist.

St. Robert's A, 30-25

St. Robert's A grabbed a 16-10 halftime edge, then held off surprising St. Augustine B for a 30-25 victory.

St. Augustine closed within a single point, 24-23, early in the final period before St. Robert's A pulled away.

Gregg Praetz pumped in 14 points for the winners, Mike Leary added 8, Tom Palma 3 clutch markers in the fourth quarter, Ken Saliba 3 points, Brad Kutcher 2 and Bruce Crochetiere 2.

Barry Lemieux and Yvan Levesque were other St. Robert's standouts.

Steve Parker hit double figures for the third straight time, heading St. Augustine

B with 10 points.

Greg Shepard netted 7, Bob Kimmerle had five foul shots, Steve Farrington a fourth period basket, and John Parker a late-game free throw.

St. Augustine B converted 9-of-15 charities.

Ballardvale, 38-29

Ballardvale United dropped St. Augustine A from the unbeaten ranks, 38-29, breaking open a 21-21 game with a 17-8 run in the fourth quarter.

No one on either team cracked double figures, but the balanced BU offense featured Bill Crabtree with 9 points, Brian Liang 8 including 6 in the pivotal final period, Kevin Hollenbeck 6 points, Russ Bird 5, Jay McLeod 4, Pete Crabtree 4 and Todd McLeod 2.

Jim Cassidy, Carolyn Darling, Lee Hollenbeck and Kurt Jensen also played fine all-around games for United.

Brian McGettrick hooped 8 points for St. Augustine, Pat Beaudine 6, Ed Powers 5, Dave Fluett 5, Dennis Sheehan 4 and Rich Sambuco 1 free throw.

St. Augustine, outshot 18-8 from the floor, stayed in contention by hitting 13-of-29 free throws.

The game was tied several times, including 23-23 early in the fourth period, before BU ran off six unanswered points and was never headed thereafter.

Schedule

Divisional play continued last night, after TOWNSMAN presstime, at the West Junior High gym.

The best potential matchup had Ballardvale against St. Robert's A, while St. Robert's B tangled with South-Baptist and St. Augustine B faced St. Augustine A.

Next Wednesday night, Jan. 18, the pairings are Ballardvale vs. St. Augustine B at 6:15 p.m., St. Augustine A vs. St. Robert's B at 7:15 p.m., and St. Robert's A vs. Christ Church at 8:15 o'clock.

Scoring Race

Mark Rogers and Steve Rathbun are dead-even in the individual scoring race through four weeks, with 589 points apiece, while Steve Parker is third at 40.

Jay McLeod and Scott Tobey are next in line with 27 points each, Brian McGettrick has 24 and Dave Fluett 23.

Essex, ss.

To all persons interested in the estate of RUTH E. WHITE late of Andover in said County, deceased and to the Attorney General of said Commonwealth.

A petition has been presented to said Court for Probate of a certain instrument purporting to be the last will of said deceased by CHARLES G. HATCH of North Andover in the County of Essex, praying that he be appointed executor thereof, without giving a surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at

Salem before ten o'clock in the forenoon on the thirtieth day of January 1978, the return day of this citation.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this twenty-third day of December 1977.

HOW DO YOU HELP A BUYER FALL IN LOVE WITH YOUR HOUSE?

- ☐ TOUCH UP THE TRIM.
- ☐ PUT THE DOG IN A KENNEL.
- ☐ PAINT THE INTERIOR WHITE.
- ☐ SHAMPOO THE CARPETS.
- ☐ HAVE SOFT MUSIC PLAYING.
- ☐ HAVE BREAD BAKING.
- ☐ TAKE OUT SOME FURNITURE.

Every house is different. And what might work for somebody else might work against you.

More important than last moment cosmetics is a total effort. Like you get from your Gallery of Homes broker.

We do our homework. First, we get to know you and your situation. Next, we get to know every facet of your house. So

we can show off its strong points and help prospective buyers feel at home. And these

are qualified, interested buyers who've already seen your home showcased in color at our Gallery of Homes office. Then, while we're selling your current home, we can find the new one you want.

Either right here or anywhere in the U.S. and Canada through our Gallery of Homes computerized relocation network. So before you start moving furniture or baking bread, give us a call. You'll get more than personal attention. You'll get results.

FUTURE SHOCK!!!

Who would have thought that we'd ever look forward to an annual inflation rate of 6% with an emotion close to ecstasy? Yet, today that's what we're doing. The reason, of course, is that after three successive yearly hikes averaging better than 9%, 1976's 6% increase looks pretty good. Don't be fooled — 6% inflation is high. At that rate prices double in 12 years.

What would happen to housing prices with a 6% yearly cost-of-living increase? A home that cost \$60,000 now would increase to \$120,732 in 12 years. In 20 years it would cost \$192,428. In 30 years it would sell for \$344,609.

What does all this mean? Whatever your age, you must find a

way to create an income in addition to your pay check. Although there is no such thing as the perfect investment, real estate may be the nearest thing to it. It can be an income producer, a shelter from high taxes, and an ideal protection from the ravages of inflation. Real estate values historically increase faster than general inflation prices and maintain a higher value than most assets in depression. The ideal hedge.

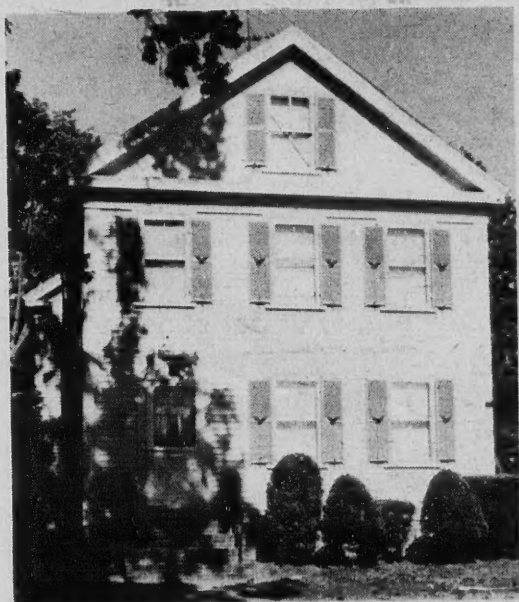

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.

having extended the trunk sewer line to the industrial acreage with the commencing of construction of the Hewlett-Packard plant. Sufficient water lines are also in the area.

Arkwright officials and R. M. Bradley representatives said that as soon as the agreements are signed, a formal announcement would indicate the prospective developers of the convention and trade center and their plans for the area.

It is felt that the project would not present traffic problems to the area, or any harmful effects on the neighborhood, although the new building would probably be more visible to nearby highways and areas than the Hewlett-Packard plant. H-P, in its initial development plans indicated that additional building would be constructed to accommodate their work in West Andover in the near future.

Formal announcement of the plan for

the West Andover industrial area would represent a "bottom line" to a series of events of the past week which has made the area of Routes 93 and 495 in West Andover, the town's expressway to an expanded tax base.

A week ago, Harry and John Axelrod announced plans for expansion of their Sheraton Rolling Green Motor Inn at the intersection of Route 93 and Lowell street.

Also, during the past week plans were presented to the Zoning Board of Appeals and the planning board for construction of a new motel next to Valle's Steak House at Route 93 and River Road.

Representatives of the Koala Inn chain presented plans for a 125-unit facility to be located near the restaurant. Construction would begin this spring if approval is granted by the board of appeals.

An Office of Youth Programs is being created in the U.S. Labor Department's Employment and Training Administration to administer programs under the Youth Employment and Demonstration Projects Act of 1977.

To Ask Bowen Decision

Selectmen were expected Wednesday night to ask Richard J. Bowen if he intends to resign his position on the board in order to provide for the filling of the vacancy through the electoral process.

The board was to meet in conference session at the Water Treatment Plant to review a letter to be sent to their colleague who is now city manager in Fairmont, West Virginia.

Bowen has stated that his intent to resign as selectman and allow the one year remaining in his term to be filled at the annual election in March.

His colleagues on the board feel that persons interested in seeking the position via the ballot, are being held up from campaigning or officially announcing for the post since it is not officially vacant.

Chairman Susan T. Poore said this week that on Wednesday night, a draft of a letter to be written by Selectman Edward M. Harris would be reviewed. It is anticipated that the text of the letter will focus on asking Bowen to make his position known soon on the resignation.

Bowen, town manager here from 1964 through 1968, was elected selectman for a three year term in 1976.

Two persons have signified an intent to seek the one year term, Atty. Lawrence J. Sullivan and Mrs. Virginia M. Cole. But no official announcement can be made, or nomination papers issued, until the office is vacated.

It is generally understood that the remaining members of the board will leave the post vacant until the election and will not appoint a fifth member as was the case last April after Selectman Alan F. French resigned.
